Tsunami Mag is far more than just a street press – it is a cutting edge music, fashion and pop culture publication deeply ingrained into QLD iconography. We doggedly reject cliché and mediocrity in our pursuit of innovation and individuality. This pursuit has brought Tsunami Mag to where it is today – a proud magazine standing apart from the crowd.

Every two weeks Tsunami hits the Sunshine Coast, Brisbane, the Gold Coast as far east as Toowoomba as far south as Coffs and as far north as Cairns.

Tsunami Mag has been around since '99, so we know what we are doing. We cover the music that deserves coverage, the films that matter, the art we understand and the events that give us free tickets [we are flexible like that].
